**AMEND Senate Bill No. 498**

**House Bill No. 275\***

By adding in SECTION 1 of the printed bill the following language as new amendatory subdivision (c)(3) of § 55-9-105, and by redesignating the present language as new subdivision (c)(4):

(3) A wireless telephone or communication device when used for placing or receiving a telephone call or to access a navigation or global positioning display; or

AND FURTHER AMEND By deleting in Section 1 of the printed bill, in amendatory § 55-9-105(a), the language "if the entertainment or business images are intended to be visible to the driver while operating the motor vehicle" and by substituting instead the language "if such receiver, monitor or screen is intended to display images visible to the driver in a normal position when the vehicle is in motion".

AND FURTHER AMEND by deleting in Section 1 of the printed bill, in amendatory § 55-9-105(b), the language "such that the entertainment or business images displayed are intended to be visible to the driver while operating the motor vehicle" and by substituting instead the language "if such receiver, monitor or screen is intended to display images visible to the driver in a normal position when the vehicle is in motion".

AND FURTHER AMEND by adding the following language to the amendatory language of subsection (c) in Section 1 of the bill:

(4) Electronic monitors or displays used to monitor livestock being transported.
